

Information Bulletin No. 2

17 December 2020

This information bulletin serves to give notice of the preliminary schedule for CFC & CVFC 2022.

1. SPECIAL REQUEST

If you have interesting, funny, moving, or otherwise memorable recollections from past Commonwealth Fencing Championships, we would love to hear from you. We are regularly posting stories from Commonwealths gone by on our social media and would love to share your stories!

If you have any photos and/or stories to share, please send them to cfc22enquiries@englandfencing.org.uk.

2. Wheelchair Fencing Introduced to Core Schedule!

On behalf of the Commonwealth Fencing Federation (CFF), International Wheelchair and Amputee Sports (IWAS) and England Fencing, we are delighted to announce that Wheelchair Fencing events will be held and fully incorporated into the program of CFC & CVFC 2022.

Presently, we plan to host separate individual events for both men and women at Category A and Category B, and team events - all in a single weapon. The weapon of choice may vary between men's and women's events depending on demand.

We further intend to hold a demonstration team event with teams each comprising both Wheelchair Fencers and non-disabled athletes.

The CFF is currently working with the Wheelchair Fencing team from IWAS to identify wheelchair fencers in Commonwealth countries and to ascertain which are the most popular weapons being practised.
